Hardware

In the box

- 1x Vuzix Blade
- 1x Vuzix Blade case
- 1x Micro USB Power cable (long)
- 1x Micro USB Power cable (short)
- 1x Micro USB extension cable
- 1x Wireless earplugs
- 1x Vuzix Blade Case

Before you start

- The Vuzix Blade is **not** water resistance. Do **not** use any sprays. Drips and spills should be avoided.
- Please install the “Vuzix Companion app” on your smartphone. This is necessary to use the device.

How to install

1. Press and hold the “Power Button” (inside on the left side of the glasses) for 3 seconds.
2. Create your Vuzix account here: <https://www.vuzix.com/Account/Register>
3. Install and follow the Vuzix Companion app on your smartphone

Android:

<https://play.google.com/store/apps/details?id=com.vuzix.companion&hl=en>

IOS:

<https://apps.apple.com/us/app/vuzix-companion/id1383316233>

4. Follow the steps in the app until you reach a QR code.
5. From the home menu, swipe and tap with the touchpad to go to settings in your glasses.
6. Select Companion Link and scan the QR code.
7. You are now ready to go!

Wi-Fi

1. Go to the settings within the Vuzix app on your smartphone.
2. Select the Wi-Fi under Blade settings and enter the access data.
3. Both your phone and app are now connected to the Wi-Fi

How to connect wireless earplugs

1. Make sure your Vuzix blade is connected and your bluetooth is enabled.
2. Go to “settings” in the Vuzix Blade.
3. Select” connectivity”.
4. Select “bluetooth”.
5. Choose the device you want to connect with.
6. Select the “Add device” if the device is not connected yet.
7. Swipe up/ down with 2 fingers to determine the volume

Download applications from Vuzix app store

1. Vuzix Blade should be linked with your smartphone.
2. On the app screen in the “ Vuzix companion app” click “store”.
3. Log in with your account and download and install the preferred application

Turning the device off

- Press and hold the power button for 3 seconds long.
- Choose “Power off”
